Mv 'MAGELLAN ETERNITY'

Aground at Km 389 of Parana River

Buenos Aires, April 19th 2025

Following the grounding incident of mv 'MAGELLAN ETERNITY' today, April 19th, at around 16:40 hrs, which partially obstructed the main navigation channel, transit through this channel has been restricted for both inbound and outbound vessels.

However, currently pilots may opt to proceed with either inbound or outbound navigation through a secondary navigation channel while the main channel remains partially obstructed, without any additional restrictions.

Reverting with further updates.

Buenos Aires, April 19th, 2025

Today, April 19th at approximately 16:40 hrs, the mv 'MAGELLAN ETERNITY', drawing a draft of 9.84 m FW, ran aground at KM 389 of the Paraná River during her outbound navigation from Rosario to Zona Común.

The vessel was loaded at LDC General Lagos terminal with a qtty of abbt 38,400 MT of dry bulk cargo.

She is currently partially obstructing the channel, and for the time being, the Coastguard has suspended downriver navigation for loaded vessels.

We are including a map indicating the estimated location of the grounded vessel.

We will revert with further updates.
